Released By: **Darryl Sample**

Subject: **P1573 Latch Lock**

Description: Effective immediately we will be using the new P1573 Latch Lock exclusively in pairs of doors with the new adjustable astragal. We have determined there is a potential interference issue with this lock in single doors and in pairs with no adjustable astragal. We will continue to use the P1421 for all single door and pairs with no astragal applications. Prices are as follows:

P1421 Latch Lock Only - \$82.00 each List  
P1410 Round Face Plate - \$6.00 each List  
P1411 Beveled Face Plate - \$4.00 each List
