Effective Date: 5/24/19

Released By: **Ragsdale, Brian**

System Affected: **900RW**

Subject: **New Outside Glazed Horizontal and Face Cover for 900RW**

The current face cap (E9475) and outside glazed horizontals (E/T/TU9473 and E/T/TU9673) are being redesigned for better engagement of the face cover onto the horizontal. The new face cap is E9487; new horizontals are E/T/TU9485 and E/T/TU9685. All are non-stocked items. See details below for current and new designs.
