Dear Valued Client:

Tubelite continues to focus on providing you with the best service in the industry. As part of this continuous improvement effort, Tubelite reviews its product offering in an attempt to balance cost, inventory etc. with market demand.

Our recent review identified a very low demand for the entire 1900 Series Ribbon Window and a portion of the VersaTherm Storefront product lines.

Effective October 8th, Tubelite will no longer offer the following product:

- Your Client Development Manager will be pleased to discuss this change with you in more detail at your convenience.

On behalf of all employees at Tubelite, I would like to thank you for your valued business and continued support.
